Hey Chris,

I got a call from my soon to be boss at school and I may have to go back a day earlier then I planned (Sunday). I need to start getting my sh*t together for school ASAP so I don't think going up to Durango is going to happen. I will still be in the office this week, at least for mornings.

Sorry I can't give you a ride, if there is anything I can do from here let me know,

---Vince

I can't do official travel. If you want to come see the situation you are welcome to show up.

Hey David,

I was wondering if I could drive up to Durango on Wednesday? Chris had mentioned that he may not have a ride back Wednesday and I could give him one in my PV...I also really want to see the site. I can fit me+3 people in my car if that does you any good.

Thanks,

---Vince
